## NOTIFICATION

In these challenging times, we tried to explore all possible ways to schedule the interview but due to the ongoing outbreak of corona virus in the State, there is no immediate date that we can foresee to conduct the event this time.

We have therefore decided to postpone the interview process until situation becomes normal. Please note that as for the safety of candidates we are forced to take such decision and shall resume the process once situation be safe.

We shall start initiating call to the candidate who's CVs are found to be most eligible to attend for personal interview. Hence, we request the candidates to follow our website and official face book page for further notification regarding the date of interview.

On behalf aAHARAN, we wish you good health and safety.
